Notice is hereby given that on the 14th day of September, 1933, there was presented to the mayor and council of the city of Wichita (said mayor and councilmen being duly convened in regular session) a petition signed by two-fifths (2-5) of the resident tax payers of said city of Wichita, praying said mayor and councilmen to submit to the qualified voters of said city a proposition that the city of Wichita issue and deliver to the Arkansas Valley Interurban Railway company the bonds of said city to the amount of Thirty Thousand (\$30,000) Dollars to aid in securing and paying for right of way, depot grounds and terminal facilities, all upon the conditions as set forth in said petition, which petition, signatures being omitted, is in the words and figures following, to-wit:

## THE ARKANSAS VALLEY INTERURBAN RAILWAY COMPANY.

PETITION.

To the Honorable Mayor and City Council of the City of Wichita:

Inasmuch as The Arkansas Valley Interurban Railway company, a corporation, organized under and by virtue of the laws of the state of Kansas, proposes to construct a line of railroad from the city of Wichita, Kansas, in a southerly direction to the city of Arkansas City, Kansas, the undersigned, being more than two-fifths of the resident tax payers of said city of Wichita, respectfully petition the mayor and council of the said city of Wichita to call a special election in the said city, at as early a date as practicable and legal, at such special election, to submit to the qualified electors of the said city a proposition that said city issue its bonds to the amount of Thirty Thousand (\$30,000) Dollars and deliver said bonds to the said The Arkansas Valley Interurban Railway company to aid the said railway company in securing and paying for land for right of way, depot grounds and terminal facilities within the city of Wichita, under the terms and conditions hereinafter set forth. Said bonds to be of the denomination of Five Hundred (\$500.00) Dollars each, numbering from one to sixty consecutively; payable to the said railway company, or bearer, twenty (20) years after date receivable, however, at the pleasure of the said city, at any time after ten (10) years after the date thereof, each bond bearing interest at the rate of four and one-half (4 1/2) per cent per annum, payable semi-annually, as per interest coupons thereon attached, payable on the first days of January and July of each year, the principal and interest of such bonds to be payable at the fiscal agency of the state of Kansas, in the city of New York, in the state of New York. The conditions upon which said bonds are to be issued and delivered to the said The Arkansas Valley Interurban Railway company are as follows:

That said railway company, its successors or assigns shall build a standard gauge railroad to be operated by electricity, from a point in the city of Wichita to a point on the south line of the county of Sedgewick, Kansas, and thence in a southerly and southeasterly direction toward the city of Arkansas City, in Cowley county, Kansas, with a suitable passenger and freight depot within the said city of Wichita; that the said company shall also maintain its principal repair shops and car barns in or near the city of Wichita, and that the said company shall commence the construction of the said road on or before the first day of May, 1934, and that at least forty-five (45) miles of the said road, commencing in the said city of Wichita, must be completed and in operation on or before the first day of May, 1934, unless the construction thereof be delayed by acts of Providence, strikes, or injunctions; and that when the said road is so constructed and in operation for the said forty-five (45) miles, and when the said depot, repair shops and car barns in or near the city of Wichita are built, then the said bonds to the amount of Thirty Thousand (\$30,000) Dollars shall be issued and delivered to the said railway company.

The said railway company shall also establish and maintain in the said city of Wichita its principal offices.

It is expressly understood and stipulated that none of the above bonds shall be issued and delivered by the said city of Wichita until each and all of the above conditions shall have been fully complied with on the part of the said railway company.

We further respectfully petition that said special election be held conformably and as provided for by the laws of the state of Kansas applicable thereto, and that the said bonds be issued and delivered to said company in accordance with the 1901 compiled laws of the state of Kansas as set forth in Sections 5007-5012 inclusive, and that the form of ballots to be used at such election shall be as follows:

Each qualified voter voting for said proposition shall have printed or written on his ballot, "For bonds to the Arkansas Valley Interurban Railway company," and each qualified voter voting against said proposition shall have printed or written on his ballot, "Against bonds to the Arkansas Valley Interurban Railway company."

The said mayor and councilmen upon presentation of said petition found the same was in writing, in due and legal form and was signed by more than two-fifths (2-5) of the resident tax payers of said city, and said mayor and councilmen thereupon granted the prayer of said petition and ordered that a special election be held at the legal voting places in said city on the 9th day of October, 1933, to determine whether said bonds shall be issued upon the terms and conditions set out and stated in said petition, and said mayor and councilmen further ordered that in the event a majority of the voters at said special election cast their votes in favor of said proposition, and when the said railway company, its successors or assigns, shall have complied with the conditions stated in said petition, then the mayor of said city shall sign and the clerk shall duly attest and seal with the corporate seal of said city and issue and deliver to the said railway company, its successors or assigns, the bonds of said city to the amount of Thirty Thousand (\$30,000) Dollars, of the number, denomination and terms and bearing interest as set forth and stated in said petition, and said mayor and councilmen further ordered that the form of ballot to be used at said special election shall be in the form stated in said petition, and that said special election be called, held and the returns therefrom made and canvassed and the result declared in all respects as provided by law for the holding of general elections.

It was further ordered that legal notice of said election be prepared and published as provided by law.

Wherefore, the said city clerk, under and pursuant to the direction and order of the mayor and councilmen of said city, hereby publishes notice that said special election was ordered and called and will be held in said city of Wichita at the usual and legal voting places therein on the 9th day of October, A. D. 1933, between the hours designated and fixed by law.

In witness whereof the mayor and councilmen of said city of Wichita have caused this notice to be signed by the mayor and attested by the city clerk of
